

# "SCIENCE RENDEZ-VOUS": TRANS-BOUNDARY AIR POLLUTION

- Speaker: Prof. YIM Hung Lam Steve  
Department of Geography and Resource Management (CUHK)
- Date: 12 Apr 2016 (Tuesday)
- Time: 7:30pm (Doors open at 7:00pm)
- Venue: Chez Patrick DELI BRIM28, 1/F Causeway Centre, 28 Harbour Road, Wanchai
- Fee: Free (consumptions are to be paid directly at the counter)

The Office of Research and Knowledge Transfer Services (ORKTS) invites you to attend the "Science Rendez-vous" about "air pollution" animated by **Prof. YIM Hung Lam Steve** from the **Department of Geography and Resource Management**. "Science Rendez-vous" is monthly talk organized by the scientific department of the Consulate General of France in Hong Kong and Macau aim at taking part in the dissemination of scientific culture in Hong Kong. We could enjoy the French gastronomy at the same time (cheese and cold cuts platters with a glass of wine...). For details, registration and enquiries please visit: [www.orkts.cuhk.edu.hk/knowledge-transfer-initiatives/events](http://www.orkts.cuhk.edu.hk/knowledge-transfer-initiatives/events)

**All CUHK Staff and Students are Welcome! (While seats last!)**
